PG CBDC SYLLABUS

Dr. Maneesha Solanki Convener

Our esteemed principal Dr. Maneesha Solanki was appointed as the convener for the PG syllabus in the subject of practice of medicine. Under her leadership, the entire team put in tremendous effort to develop a comprehensive syllabus for the Postgraduate students. She not only guided the team through the process but also took the initiative to conduct training sessions across various regions like Father Muller Mangalore, NCH New Delhi, Jaipur and YMT Mumbai. Her dedication and leadership played a key role in ensuring the successful creation and implementation of the syllabus, benefiting both faculty and students alike.

HSET Workshop

A workshop on Health Science Education and Technology was organized at our college under the auspices of the Maharashtra University of Health Sciences. The event saw active participation from all faculty members, both from the Undergraduate and Postgraduate departments. According to the feedback received, attendees found the workshop highly informative, gaining valuable insights into various new techniques and topics within the field. The session provided a platform for enhancing their knowledge and staying updated with the latest developments in health science education and technology.

Conclusion:- As we bring this year's annual report to a close, we take a moment to reflect on the milestones reached, challenges faced, and the collective spirit that defines our institute. This past year stands as a true reflection of our steadfast commitment to excellence in homeopathic education, research, and healthcare.

We take pride in celebrating the accomplishments of our students, faculty, and staff, whose unwavering dedication has strengthened every aspect of our institution. Our continued efforts in research and community outreach are vital contributions to our overarching mission of promoting health and wellness for all.

As we look ahead, let us carry forward the lessons learned and the successes achieved to drive us toward even greater accomplishments. Together, we are weaving a tapestry of excellence—one that not only shapes the future of healthcare but also leaves a lasting impact on the lives we touch.

Our journey is far from over. Let us continue to pursue excellence and nurture a culture of continuous learning and improvement. I extend my heartfelt gratitude to the entire college community—our students, faculty, staff, and esteemed management—for your tireless efforts and ongoing support.
