and direct degree courses - Implementation of -

Sir,

In continuation of this Council's circular letter of
even number dated the 3rd March, 1983, I am to say that
Central Council of Homoeopathy is charged with the responsi-
bility of maintenance of uniform standard of Homoeopathic
Medical Education in the country under the provisions of
Homoeopathy Central Council Act, 1973.

It is, therefore, felt that the Homoeopathic Medical
Colleges should be affiliated to universities so that the
standard of Homoeopathic education may be brought at par
with the standards of other systems of medicine and to
achieve this object degree courses should be started
immediately in Homoeopathic Colleges which fulfill minimum
requirements of the educational regulations of the Council,
in this regard. The Homoeopathic Medical Colleges in States
like Andhra Pradesh, Bihar, Orissa, Kerala, Rajasthan, U.P.
and West Bengal have already been affiliated to the
universities for degree courses in Homoeopathy.

It is, therefore, requested that necessary steps to
affiliate the D.S. Homoeopathic Medical College, Pune, with
your University for D.H.M.S. degree course from the session
starting 1983-84 may kindly be taken.

Yours faithfully,
