Research by learning through service oriented research for, local needs and global health issues. our Mission MTES D. S. Homoeopathic Medical College, Pune

CHAIRMAN'S MESSAGE

Shri. Prithviraj Deshmukh, Chairman

Dear All,

I have a proud privilege to be the Chairman of a very reputed organization, Maharashtra Technical Education Society, Pune, which was established in 1945 by Late. Shri. Dhondumama Sathe, a social worker and a visionary.

We follow the aims and objectives led down by Ministry of AYUSH in the field of We are committed to propagate Advanced Homoeopathic system of Medicine to train qualified, skilled Homoeopathic doctors across the country and provide effective and affordable homoeopathic treatment to the masses.

Our sole endeavor is to be a seat of excellence in Homoeopathic education and practice.

**Shri. Prithviraj Deshmukh,
Chairman, MTES Pune**

PRINCIPAL'S MESSAGE

Dr. Maneesha Solanki, Principal

Dear All,

Maharashtra Technical Education Society's Dhondumama Sathe Homoeopathic Medical College, Pune, is one of the most reputed and prestigious institutions in the state of Maharashtra.

A veteran social worker, Late. Shri. Dhondumama Sathe, the founder of our institution, established this college in 1971, with a vision to provide opportunity to young generation for quality medical education

Dhondumama Sathe Homoeopathic Medical College is a premier institution in homoeopathic system of Medicine and has shaped many outstanding personalities and is an icon for many in the field of Homoeopathy. The college has a qualified and experienced teaching faculty to inspire, guide and teach students and help them develop their full potential.

We, on our part, take upon ourselves as our sole endeavour to impart the art and science of Homoeopathy and train the new generation of Homoeopathic physician to take up these responsibilities in healing of the sick.

The Advanced Homoeopathic Education and Patient care are the two integral aspects of our institution and we are all committed to provide the best education and effective and affordable medical services in all communicable and non-communicable diseases, to all. Continuous medical education programme for students and interns, Health education, Health check-ups and Awareness camps as a part of our social commitment and to inculcate the same in our doctors and participation in research so as to contribute new vision in the science for the betterment of humanity.

The present pandemic of COVID19 gave us an unique opportunity to show the potentiality of Homoeopathic medicines not only in curtailing the disease, but curing it and also preventing it.

In spite of the most difficult time of COVID 19 pandemic, NMRMHH (our teaching hospital) could successfully complete the NABH accreditation process on 26th Sep 2021. This was possible only because of dedicated team efforts of hospital staff. Their hard work and efforts are highly valued by the institute. This will definitely have a positive impact on patient care as well as student's training

I am honoured to be the Principal and Medical Superintendent of this most prestigious institution in the field of Homoeopathic education and patient care.

**Dr. Maneesha Solanki,
Principal**

ABOUT THE INSTITUTION

Maharashtra Technical Education Society Pune (MTES) was founded by renowned social worker Late Shri. Dhondumama Sathe in 1945. He had a vision for providing educational facilities to the youths of the land, so that they will become real value pillars of the Nation.

In 1951, he established Walchand College of Engineering at Sangli and In 1971 Dhondumama Sathe Homoeopathic Medical College (DSHMC) at Pune

In 1980, the society acquired its own land of 2.5 Acres, Off Karve Road And established its own college and it's attached Sanjeevan Hospital as well as Nyayamurti Madhavrao Ranade Memorial Homoeopathic Hospital at Pune.

DSHMC is a pioneer Institute in Homoeopathic Medical Education and is taken as a role model by many. Today, this Institute is growing under the dynamic leadership of our chairman Honorable Shri. Prithviraj Deshmukh and the Executive Board Members.

Homoeopathy is acknowledged by the Global Medical Fraternity as A tested therapy in removing the disease from its root. This Discipline was introduced by Dr. Samuel Hahnemann in Germany, nurtured in U.K. and U.S.A. and truly blossomed in India.

MTES's DSHMC, is a premier institution in this country in training Students in the field of Homoeopathy. Many renowned personalities in the field of homoeopathy are alumni of this college. The college has qualified and the most experienced teachers to inspire, guide and teach the students and help them reach their fullest potential.

Quality Education and patient care being the sole objective of this institution, The attached teaching hospital has been recently NABH accredited. This is one of the few homoeopathic hospitals which have got accreditation status in the country.

NYAYMURTI MADHAVRAO RANADE MEMORIAL HOMOEOPATHIC HOSPITAL

Nyaymurti Madhavrao Ranade Memorial Homoeopathic Hospital is a 50 bedded teaching hospital of Dhondumama Sathe Homoeopathic Medical College which provides efficient patient care and expert clinical training to our students.

The Hospital consists of Outpatient department, Inpatient department and homoeopathic dispensing unit. It provides advanced homoeopathic treatment from experienced homoeopathic physicians at very nominal charges, and free of cost to the senior citizen. Apart from general OPD's, other specialty OPD's and Evening OPD's have been introduced for various ailments.

With the team of efficient doctors and paramedical staff we have successfully treated various, acute, chronic and incurable conditions in our homoeopathic IPD, like Viral fevers Non-healing ulcers, deep vein thrombosis, acute pancreatitis, Obstructive jaundice, Psoriasis, Stroke and palliative care of malignancies and many more. These cases are published in our College's Quarterly news letter DSHMC Words.

SANJEEVAN MULTI SPECIALITY HOSPITAL

Sanjeevan Hospital is an attached multispecialty hospital which is run by the same trust and located in the same premises. Sanjeevan Hospital has over the years earned the reputation of being a hospital catering to the common man's health-care requirements, providing rational and affordable health-care. At Sanjeevan Hospital emphasis is given on developing an atmosphere of trust and faith which is cardinal to the effectivity of the services provided.

Students of DS Homoeopathic Medical College are posted in this attached Multispecialty Hospital for their clinical training. They get ample clinical exposure and training due to this attached Multispecialty Hospital.

CODE OF CONDUCT

1. The student while studying in the college, if found indulging in anti national activities, unlawful activities or ragging in any form, contrary to the provisions of Act and Law in force Government, will liable to be expelled from the college by the Principal of the College.
2. Failure of candidate in making full and correct statement in the application from and/or suppression of any information would lead to disqualification of the candidate, even at later date. Such a candidate will be debarred from the entire selection process.
3. It is responsibility of every candidate to submit proper documents. Any attempt to submit documents which are not genuine will lead to cancellation of the admission to college by the competent Authority or by his authorized official. If deemed fit even criminal proceeding may be initiated by the Management.
4. Pursuant to orders in W.P. (Civil) No. 656 of 1999, Hon'ble Supreme Court of India, has directed the Department of Human Resources, Development and Education, Govt. of India to take all necessary steps to curb the menace of ragging and take severe action against the students involved in such activities.
5. As per the provision of Maharashtra Prohibition of Ragging Act of 1999" ragging is cognizable offence and is forbidden in any form. Students indulging in Ragging can be punished under the Act resulting in suspension, expulsion from the college and even imprisonment. Affidavit must be submitted at the time of admission itself. As per the CCH/MUHS/Government Rules and Regulation College has a functioning Anti Ragging Committee and students are instructed to report any such activities to the Committee if noticed without any delay.
6. Similarly a Women's Complaint Committee is also functioning and female students are instructed to report any activity or incidence to the Committee, if noticed.
7. Any issue not dealt here-in above will-be dealt with, when arising, fully and finally by the Management/Principal and whose decision will be final and binding.
8. Operating mobile phones on the premises and classroom is prohibited and such phones will be confiscated.
9. Consumption of gutkha, alcohol, drugs and smoking in the premises of college is strictly prohibited. Violation of these rules will be taken seriously and fine would be imposed and in serious cases student's admission will be cancelled.
10. Silence is to be observed in and around Reading Hall and Library
11. Maintenance of Hygienic conditions and cleanliness should become part of habit of the students and others on the premises.

12. Student shall wear apron, I-card and will wear formal clothes only (no shorts 3/4th pants are allowed strictly in the premises.)
13. Student will produce his/her I-card whenever it is asked for by the authorities and will not be allowed to enter in the college premises without I-card and it is mandatory to wear the I-card in the premises of College and Hospital.
14. Student will pay the fees during re-admission to every next year in the month of Jan and month of July as the case may be, late paying will attract fine as per rules.
15. It is understood that the college cannot take the responsibility of reporting examination performance to the parents. Parents may enquire about the performance of as well as attendance of their ward periodically.
16. Students should maintain 75% attendance in Theory and minimum 80% attendance in practicals to be eligible to appear for University Examination each year, failing which he/she will not be allowed to appear for examination and no excuse whatsoever will be entertained in this regard.
17. Permission must be taken for any leave or absence from classes or to go out of station. In case of illness medical certificate must be sent immediately.
18. Students must pay for all damages caused by them to books and property of the Institute.
19. Students who do not maintain a satisfactory standard in academics or in observance of code of conduct or discipline or attendance less than 75% or fees dues shall neither be allowed to hold the office in extracurricular activities, students council or be eligible to participate in study tour or other such activities of the College or University.
20. Students will observe proper discipline in and around the college premises, and will take care of their valuables. Management will not be responsible for any loss.
